

Mickey Thompson
2009 Ford F-150

"CLAW"

The Ford F-150 FX-4 is built Ford tough for hard work or for rough play. Starting with this extremely capable pickup X-Treme Toyz turned up the heat for Mickey Thompson Tires with their "CLAW F-150"!

This highly functional fun machine is totally tricked out for the active outdoor lifestyle enthusiast. With a radically rugged-looking exterior, a luxuriously refined interior plus a full array of functional upgrades and accessories, this truck will put true weekend warriors right in their zone. It lets them play rough all day, hose off the mud, then hit the nightspots in style.
